Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The after final amendment dated September 26, 2007 and subsequent advisory action dated October 12, 2007 were discussed. Examiners Gart and Dunham indicated that the amendments would not be entered as they changed the scope of the independent claims 26 and 41 and a new search would be required. Furthermore, there is no outstanding claim objections which the amended claims would render moot. The examiners and Mr. Edmondson discussed possible avenues for the applicant to respond to the advisory action .
